

Summer Camps at St. Catherine of Siena

Please review the details of each camp including dates, times, fees, and other requirements. Each camp's dates run from Monday through Friday of the listed week. The ages refer to the student's current age and the grade-levels refer to the student's 2017-2018 grade-level. The minimum enrollment for each camp is 7 students. Unfortunately, if the minimum is not met, the camp will be cancelled. Camp fee payments may be made in the school office and are due the first day of the camp. Family discounts are available for siblings enrolling in the same camp.

**PLEASE ENROLL BY
MAY 26th**

How to Enroll in Summer Camps at SCSCS

To enroll in a summer camp, you may call the school office at 316.719.2917

or

Math: Munchies & Movement

June 5-8 9:00-11:30 Grades 1-2

June 5-8 1:00-3:30 Grades 3-5

Students will spend their time filled with Math Games and Math Centers using “munchies” and “movement” to develop math skills. Come explore crunchy, chewy, and other munchies while jumping and stomping to find your answers. All materials will be provided.

Taught by Mrs. Sageser

\$80/student

“Oh, the Things You’ll Learn”

June 26-30 9:00-11:30

Students will have fun exploring math and learning literacy concepts with a **Dr. Seuss** twist. Crazy games, “Green Eggs and Ham” yoga, and stacking “Apples Up On Top” just to name a few are sure to bring a smile and a laugh not to mention learning, too.

Taught by Mrs. Sageser

Grades 1-2; \$75/student

MAD About Science

June 26-30 9:00-11:30

Let’s get **MAD** about science! Get ready to dig into several hands-on experiments, as we make oobleck, home-made ice cream, lava volcanoes and more!! Classic and creative experiments will be sure to engage those young and curious minds. All materials provided.

Taught by Mr. Gardiner

Grades 1-3; \$100/student

Time for S’MORE Learning

June 26-30 1:00-3:30

Come Join Camp Learn-A-Lot and experience STEM camp activities including **solar cooking, unpopable bubbles** and many more! **Please bring an empty Pringles can to class on the first day.**

Taught by Mrs. Sageser

Grades 3-5; \$100/student

Saints in the Siena Sun

Summer Camps at St. Catherine of Siena offer engaging learning opportunities for students of all ages. Check out all of the exciting adventures that await you!

STEM Camp!

June 19-23 9:00-11:30

Science. Technology. Engineering. Math. Students work in small groups using these core subjects, along with creativity and team work, to create a Rube Goldberg (chain reaction) machine. All materials supplied.

Taught by Mr. Gardiner

Grades 3-5; \$100/student

Creative Reading

June 19-23 9:00-11:30

This camp would be for students in grades 4-5 who would like to strengthen their reading skills by using their multiple intelligences. We will be reading a novel together, practicing key metacognitive reading strategies while enjoying great literature from award-winning author Kate DiCamillo. Each day will include a creative project involving art, reading, writing, and acting. A small portion of our time will be practicing reading skills on Moby Max, accruing points and earning badges toward rewards.

Taught by Mrs. Maliszewski

Grades 4-5; \$80/student

When am I Ever Going to Use This?

June 19-23 1:00-3:30

Active hands on camp, exploring the many ways math is used in real life situations. Examine blueprints, design a 3D model, become an active, informed consumer. The opportunities for math are endless! All materials supplied.

Taught by Mr. Gardiner

Grades 6-8; \$80/student

Engineering Design Challenges

June 26-30 1:00-3:30

Students will spend the camp completing two engineering design challenges. The first will be an irrigation challenge, where students face the real-world problem of bringing water to their “crops”. The second challenge will include a lesson in the different types of bridge designs in the real world. We will end with the students building their own model and testing the strength, as well as aesthetics, of their popsicle-stick design. All materials supplied.

Taught by Mr. Gardiner

Grades 6-8; \$100/student

Whose Line is it Anyway?

Beginning Improvisational Comedy

June 19-23 1:00-3:30 Grades 6-8

June 26-30 9:00-11:30 Grades 4-6

In this camp, the focus is on improvisational speaking and acting. Learn the “4 Rules of Improv”, play acting games, work on tricks to relieve performance anxiety, practice vocal techniques, and develop short scripts to invite improvisational acting. Wear comfortable, loose fitting clothes that you can tumble around in, including socks that go over the ankle. Most days we will go shoeless, but everyone must wear socks (that stay on) to participate.

Taught by Mrs. Maliszewski

\$75/student
